

# Listening Skill

-Trainer-

**Dinesh P.Patil**

## ✓ Introduction:

- Every normal human being gifted ability to **LSWR**
- Child-Listening skill first- other skills thereafter
- *Listening is a process of hearing, understanding and interpreting what someone is saying*
- *"Listening requires more intelligence than speaking."*  
-Turkish Proverb
- Most used but least seriously taken

**[** LISTENING IS THE PART  
OF COMMUNICATION WE  
ENGAGE IN THE MOST. **]**

**40%** LISTENING

**35%** SPEAKING

**16%** READING

**9%** WRITING

- **Difference between Hearing and Listening:**

- Hearing a physical process which no one can avoid
- Passive activity
- Listening requires-  
attention, concentration, perception, interpretation,  
assessment and response
