**3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.**

**Additional Information**

The College has created an ecosystem for innovation and other initiatives for creation and transfer of knowledge, it appreciates and playing an encouraging role in promoting an ecosystem for innovation among the faculty members as well as students. Spirit of innovation encompasses various outreach programme for creation and transfer of knowledge. Central Library has playing vital role in creation and transfer of knowledge. Central Library has an active member of N-List, INFLIBNET through which more than 6000 journals and 300000 E- Books are available to access. OPAC, Network Resource Center, English Laboratory, etc. these facilities help to transfer of Knowledge.

Many activities have taken Place in the Last five Years. Such as Avishkar, CLRAS (College Level Research Assistance Scheme), COC and Acharya Samarpan (Funds created for students as well as Community Development), etc.

During Last Five Years around 200 Students participated in research base Competition Avishkar, for this Institute and College provided Seed money in form of Financial Assistance to Students for promoting research in Under Graduate Students of all faculties and results of this students and Faculty Members are got prizes at University, State, Zonal and National Level (First time in KBCNMU, Jalgaon), One of our UG students secured First Rank in National Level "Anvesion-2019" Competition, organized by Ganpat University, Mehsana (Gujrat) in collaboration with Associations of Indian Universities (AIU). The College introduced "CLRAS" (College Level Research Assistance Scheme) for promoting research in under graduate students to do tiny research project (minor research project).

The college also introduced Certificate Course in Basic Communication Skills and Soft Skills, Certificate Course in Tally with GST, Certificate Course in Digital Banking, these three courses are affiliated to KBCNMU, Jalgaon on self-financing basis, with this college also introduced short term certificate courses, viz. Certificate Courses in Basic Concept of Indian Constitution, YOGA and Meditation, Travel and Tourism, Environmental Audit and Management, Script Writing, Presentation Skills, Basic Course of Economics, etc. since academic year 2018-19. The College also introduced industry support Add on courses, such as BOSCH Bridge Course (BOSCH Ltd. Bangalore) and Certificate Programme in Banking, Finance and Insurance (Bajaj Finserve, Pune and Bajaj Finance Ltd. Pune). These industry support add on courses develop life learning skill as well as employability skills of students to get better employment in different industry.

The college also introduced a scheme "Acharya Samarpan Bhav" for fulfillment of basic needs of needy and poor students as well as specific emergency requirement of staff, under this scheme college provides financial supports for admission fees, college uniforms, exam fees, activities registration charges, medicinal expenses, condolence amount, etc. the ICT infrastructure in college helps students to access ITES (IT enable services) which helps to develop Research Culture in HEI. The College has Wi-Fi System, digital Smart Board, LCD TV,

Projector, K-Yan (All in one Educational Software) with Computer and Projector as well as Digital Smart Board with Dolbi Sound system, which helps to create ecosystem for innovation through audio-visual system to transfer of knowledge.
