

**7.2.1 Describe two best practices successfully implemented by the institution as per NAAC format provided in the Manual:**

1) Title of the 1<sup>ST</sup> Best Practice: **The Community Orientation Programme (3 Days Lecture Series)**

**OBJECTIVES OF THE PRACTICE:**

- The prime objective of this practice is to break the ice on cutting-edge issues for the society.
- This practice introduces and discusses the contemporary socio-cultural ethos to the society.
- It helps to create awareness on burning socio-cultural issues among audience.
- This practice provides an open platform to the addressees on various social-cultural issues and make them enable to understand these issues with critical thinking.
- To provide thoughtful and resourceful information to the audience of this lecture series.
- To provide the innovative lectures on innovative subjects to the audience which creates positive impact on thought process and belief system of them.

**THE CONTEXT:**

The Shendurni secondary education co-op. societies' Appasaheb R. B. Garud has been organizing the annual lecture series from last nine years as a means of bringing socio-cultural harmony in community. It means recognition of human values and awareness on socio-cultural burning issues of society. College is successively organizing this activity from

2009. This lecture series share insights and experiences with the audience. Many lectures have dealt with the cutting-edge issues and explore the various aspects with solutions. This lecture series creating positive impact on the thought process and belief system of audience. Especially this activity is unique platform for the women from rural background. This lecture series provides thoughtful and resourceful information to the audience.

### **THE PRACTICE:**

This lecture has annually allotted in three days duration. During this lecture series three eminent orator having proficiency on socio-cultural issues delivers lecture on current and burning issues to the audience. A society centered approach engages the audience from the all strata of society. It creates responsiveness among listeners about social issues. The different scholars have introduced crucial socio- cultural issues like healthy family relationship, farmer's suicide, education, social justice, women empowerment, folk-literature and so on. This practice endow with a chance for promoting healthy mind-set and behavior among society. Every lecture provides opportunities for the enhancement of critical thinking, self-esteem, effective decision making, increase problem solving nature, and objective discussion of current events including those related to maintaining the communal harmony, universal brotherhood and national integrity among society. Each subject area of lecture offers a unique opportunity for the exploration of mutually relevant topics, or enhancement of the subject area, through the presentation of socio-cultural related themes. This practice primarily concentrates on awareness of the social issues.

### **EVIDENCE OF SUCCESS:**

This lecture series addresses socio-cultural and current issues in communities from last 10 years (2009). The major outcome of this practice is listeners who belong to rural and moffusil background came across with the issues from global to local perspective. The participation of the audience willingly with more interest was an evidence of the success. From the academic year 2009 the increasing a large number of listeners up to 2018, have benefited through lecture series. From the beginning of this series, every year near about 800-1000 listeners benefitted from this series. In light of discussion another out come if this practice of lecture series is, it bringing rural and socio, economic and culturally backward audience into mainstream of society. It helps to uplift their standard of living and rational thinking. This practice creates awareness and helps to establishes communal harmony

among society.

**PROBLEMS ENCOUNTERED AND RESOURCES REQUIRED:**

- Ratio of absentee of People from villages around Shendurni.
- Transportation issue at night.
- This practice requires more extensive initial venture and recurring expenses.
