

7.3.1 Portray the performance of the institution in one area distinctive to its priority and thrust within 1000 words

The Shendurni Secondary Education Co-operative Society, Ltd. Shendurni, the parent institute is going to celebrate its Platinum Jubilee year in 2019. The institute is having visionary objectives according to the changing scenario without deviating from its focus from the socially backward classes and downtrodden. One of the Mission statements of the parent institute goes thus *To promote the acquisition of knowledge and to offer opportunities for upgrading the knowledge, training and skills in all fields of human endeavor by developing educational network with use of modern communication media and technologies.* It shows the urgency of acquisition of knowledge and skills in all fields. Training provided to students with these objectives could offer them different opportunities of career. Keeping this in mind, IQAC initiated the drive of introducing value-added and skill-based courses at department level in the college for three years back.

All the departments responded positively.

This implementation drive was especially important because this college functions in the affiliated structure to the Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon and there is little scope for experimenting at either designing curriculum on institutional level or running courses on self-financing basis so to say. All the courses have been in function in addition to the regular programme structure. The duration of the courses is of one week or two. However, they equip students with basic and missing knowledge or skill in the discipline they belong to. To dispel darkness from the lives of the poor, the neglected and rural youth by imparting value education. The College is keenly working out its vision and mission according the changing policy of higher education. Institution considers vision and mission as torch and encapsulating the values of ideal citizen among the young students.

Vision

“नही ज्ञानेन सदृश्यं पवित्रमिह विद्यते”

(There is nothing sacred in this world as knowledge)

Mission

“Appasaheb R. B. Garud Arts, Commerce and Science College, Shendurni, Dist. Jalgaon is committed to involve the downtrodden classes of the society, that live in remote, mofussil areas in to the stream of national education, with the lofty aim of moulding these young men and women in to strong personalities and responsible citizens of the nations for the nations. The prime objective of the institution is to educate First Generation Learners and nurturing the raw talents to transform in responsible citizen of the nation.”

Institution prominently gives emphasis on quality education and holistic approach of it. In this concern college is administrating total 11 skill based certificate courses including industry linked, 2 add on courses, which is having tie up with **BOSCH** Ltd. Banglore and **Bajaj Finserv** Ltd. Pune. In the area of quality performance of our institution has received Best College Award (Consolation) in 2017 by KBCNMU, Jalgaon. As well as audited twice with **“A” Grade** in University level Academic and Quality Audit. The Institution has well equipped ICT, academic and sports infrastructure which can facilitate and nurture the rural talents through global perspective. The college has established well equipped **competitive examination centre** for the competitive examination aspirants belongs to rural background. This study centre facilitates our college students, alumni and aspirants around the Shendurni region.

The institution is prominently encouraging the students for the participating in State level, National Level venture like **AVHAN and AVISHKAR**. Our students have remarkably achieved the ranks in said events e.g. one student achieved first rank in National Level Research Convention “Anvension-2019” and one more students achieved first rank in AVHAN. Our NSS unit is also functioning distinctively as an outcome of that, our NSS Unit awarded as a Best NSS Unit of University, 2015 and Our NSS Volunteer also awarded as Best NSS volunteer of university in 2017. Our NSS Unit also awarded by Best Programme Officer Award by University and State 2015.

In the process of impart quality education; our institution is maintaining the social bonding with society. In this concern our institution successfully organizing **3 Days Lecture**

series for the society on various societal issues. This basically focuses on national integrity, communal harmony, social justice, socio-historical issues, folk literature and art, etc. To maintain strong social bondage, the institution has initiated to establish rapport with society through “**Village Adoption Scheme**”. In this scheme our one teacher has adopted one village. Apart from the budgetary provision of university for poor and needy students, our institution has offered “**Aacharya Samarpan Scheme**”. This scheme provides financial assistance, college uniform, and essential study material and so on to the poor and needy students. Institution is having 4 percolation tanks, which help to stores wastage rain water. The college with green initiative has started “**Tree Adoption Scheme**” to protect and nurture the Green Campus of the college. The college has **planted 650 Teak wood plants** beside the college campus and successfully nurtured it.

To promote the Mission of Digital India, the college has introduced **Cashless Transaction System** for students. In the context of health and hygiene of girls’ students, the college has installed 2 “**Sanitary Napkin Vending Machine with Disposal Machine**”. This practice specially appreciated by University.

In academic year 2019-20 college has organized NSS state level residential camp on “**Ek Bharat Shreshtha Bharat Camp**” and Institute also initiates **Memorandum of Understanding with Maharashtra Center for Entrepreneurship Development (MCED)**.
