

**Appasaheb Raghunathrao Bhaurao Garud Arts, Commerce and Science College,  
Shendurni, Tal. Jamner, Dist. Jalgaon**

6.3.2 Average percentage of teachers provided with financial support to attend conferences/workshop and towards membership fee of professional bodies during the last five years. (5)

**Additional Information:**

As far as financial support to teachers for attending Conference, Seminar, Workshop, etc. The college is working for rural area and the people of low income group as well as financially weaker section with the main objectives is to provide basic higher education to the downtrodden people with missionary purpose, because most of the students are first generation learners as well as girls students and college also working for to increase Girls Enrollment Ratio (GER) in the higher education as well as in the college, therefore college is running more self-financing programmes (B. Sc., M. Com., COC and Certificate Courses) in the campus to promote higher education in the neighborhood community in nearby place at lesser fees. The college does not get any type of Non-Salary Grants from the Government, even though the college is trying to introduced more programmes and courses in the college to provide variety of education to the students e.g. Introduction of Post-Graduation Programme (M. Com) as well as Career Oriented Courses, Certificate Courses and Industry linked courses/programmes, to inculcate life learning skills and employability skills in the students of the neighborhood community. For this cause related work the college and teachers has coming together at the decision for not to get any financial support for attending Conference, Seminar and Workshop instead of this just to get non-financial support like, sanction of duty leave, encouragement by the management and the Principal to participate, present a paper in National and International (within the India as well as outside the India) and to publish research paper and articles in reputed, Peer Reviewed, Referred, UGC Care Listed and Scopus Indexed Journal. For the purpose to approve and recommend this research work, the college is introduced Research Promotion Scheme by the recommendation of College Development Committee (CDC) and CDC also appreciated good research work in the meetings. Even though the college is trying to do financial support to the teachers to attend Conference, Seminar and Workshops for maximum two events bearing minimum fees or cost. The college is also allowing teachers to get funds from amount received for research project from different agencies like UGC, New Delhi and KBCNMU, Jalgaon, etc.
